RECEIVER'S UNOPPOSED MOTION TO APPROVE PRIVATE SALE OF REAL PROPERTY LOCATED AT 3050 CORAL SPRINGS DRIVE, CORAL SPRINGS, FLORIDA 33065

Miranda L. Soto, Esq., as Receiver and through the undersigned counsel, files this Unopposed Motion seeking Court approval for the proposed sale of the real property owned by Receivership Entity Property Income Investors 304, LLC ("**PII 304**"), and located at 3050 Coral Springs Drive, Coral Springs, Florida 33065 (the "**Property**"). As further detailed below, the Receiver has entered into the Purchase and Sale Agreement, attached as **Exhibit 1**, to sell the Property on a strictly "as is" basis for \$1,775,000.00 to Benjamin Abramchayev (the "**Purchaser**"). The Receiver seeks entry of an Order in substantially the form as **Exhibit 2** approving the proposed sale and the associated sale procedures required pursuant to 28 U.S.C. § 2001, and submits that the proposed sale is commercially reasonable and will result in a fair and equitable recovery for the Receivership Estate. After subtracting amounts for satisfaction of a Tax Certificate that was issued because the 2020 property taxes were not timely paid and payment of standard closing costs, the Receiver anticipates that the proposed sale will generate gross proceeds of approximately \$1,650,000 for the Receivership Estate. The proposed sale price is also over 40% higher than the price previously paid in late 2019 by PII 304. In support, the Receiver states as follows:

I. <u>RELEVANT BACKGROUND</u>

On June 7, 2021, Plaintiff, Securities and Exchange Commission ("Plaintiff"), filed the *Complaint for Injunctive and Further Relief* (the "Complaint") (Doc. 1) in the United States District Court for the Southern District of Florida against Defendants, Larry Brodman, Anthony Nicolosi f/k/a Anthony Peluso, and the Receivership Entities. On June 15, 2021, the Court entered an Order appointing Miranda L. Soto as Receiver over the Receivership Entities (the "Order Appointing Receiver") (Doc. 10). Pursuant to the Order Appointing Receiver, the Receiver was directed to "take immediate possession of all real property of the Receivership Entities," and to "take all necessary and reasonable actions to cause the sale or lease of all real property in the Receivership Estates, either at public or private sale, on terms and in the manner the Receiver deems most beneficial to the Receivership Estate..." *Id.* IP 16, 32. The Order Appointing Receiver also authorized the Receiver to make "payments and disbursements and incurring expense as may be necessary or advisable in the ordinary course of business in discharging Receiver's duties." *Id.* P 7(d).

The Receiver subsequently identified seven multifamily residential properties in South Florida that were collectively owned by certain of the Receivership Entities (the "**Receivership** **Properties**"). The Receiver and her counsel immediately took steps to secure and evaluate the Receivership Properties, including communicating with current tenants about their continuing obligation to comply with their lease requirements, ensuring the existence of insurance coverage, and identifying any existing liens or encumbrances on the Receivership Properties. After obtaining Court approval to retain a property management company to oversee and maintain the Receivership Properties, the Receiver solicited proposals from real estate brokers to assist her with the marketing and liquidation of the Receivership Properties. *See* Doc. 18. The Receiver subsequently received proposals from and interviewed four real estate brokers, ultimately selecting Daniel Otten with Local Real Estate Co. (the "Listing Agent") based on the proposed marketing strategy and discounted commission structure. The Receivership Properties were listed for sale in September 2021, and to date the Court has approved the sale of five of those properties. Docs. 32-33, 40-42. Four of those sales have since closed. Docs. 49, 59-60, 64.

A. <u>Procedures Applicable to the Sale of Real Property</u>

On September 13, 2021, the Receiver filed her Liquidation Plan setting forth her proposed plan to liquidate and distribute assets recovered for the Receivership Estate (Doc. 24). With respect to real property assets, the Liquidation Plan referenced Paragraphs 32 and 33 of the Order Appointing Receiver authorizing the Receiver to engage the services of a real estate broker and to list any real property asset for sale in the manner the Receiver deems most beneficial to the Receivership Estate. *Id.* at pp. 4-8. The Liquidation Plan indicated that the Receiver will use industry-standard and commercially reasonable efforts to market any potential property and subsequently seek the Court's approval of any offer the Receiver determines to accept pursuant to 28 U.S.C. § 2001.

Specifically, 28 U.S.C. § 2001(b) ("Section 2001(b)") establishes the following

procedures for a private sale of real property:

After a hearing, of which notice to all interested parties shall be given by publication or otherwise as the court directs, the court may order the sale of such realty or interest or any part thereof at private sale for cash or other consideration and upon such terms and conditions as the court approves, if it finds that the best interests of the estate will be conserved thereby. Before confirmation of any private sale, the court shall appoint three disinterested persons to appraise such property or different groups of three appraisers each to appraise properties of different classes or situated in different localities. No private sale shall be confirmed at a price less than twothirds of the appraised value. Before confirmation of any private sale, the terms thereof shall be published in such newspaper or newspapers of general circulation as the court directs at least ten days before confirmation. The private sale shall not be confirmed if a bona fide offer is made, under conditions prescribed by the court, which guarantees at least a 10 per centum increase over the price offered in the private sale. 28 U.S.C. § 2001(b).

As discussed further below, courts routinely exercise their inherent discretion to administer and determine the appropriate relief in an equity receivership by finding that a Receiver has sufficiently complied with, or authorizing a Receiver to deviate from, the requirements of Section 2001(b). This includes finding that a receiver has satisfied Section 2001(b)'s appraisal requirement by obtaining three broker price opinions from disinterested licensed real estate professionals where the pertinent property was subject to a competitive bidding process on the open market and where the Receiver has been represented by a Listing Agent.

B. <u>The Property, the Receiver's Marketing Efforts, and the Proposed Sale</u>

The Property was purchased by Receivership Entity PII 304 in August 2019 for \$1,250,000.00, using funds raised from investors. The Property is a two-story multi-family residential property consisting of eight units, with all units currently leased out to tenants. After being engaged by the Receiver, Mr. Otten and his team visited the Property, prepared a pricing

and listing analysis and created necessary marketing materials. The Receiver then approved the listing of the Property for \$1,650,000.00, and the listing was advertised through multiple platforms. The marketing materials were also published on the Receiver's public website at www.propertyiireceivership.com/assets-for-sale for all potential buyers and investors to freely review. In addition to listing the Property on several commercial real estate listing websites, Mr. Otten and his team also circulated the listing to an internal network of additional potential buyers.

The Property has been listed on the market for several months, during which time the Receiver ultimately received and reviewed approximately one dozen offers for the Property ranging from \$1.1 million to the current offer of \$1.775 million. The Receiver previously entered into a contract to sell the Property, but that buyer subsequently terminated the contract during the inspection period. The Property was then re-marketed to prospective buyers, and the Receiver subsequently received and entered into discussions with Purchaser regarding their \$1,775,000.00 offer. After arms-length negotiations, the Receiver and Purchaser both executed the Purchase and Sale Agreement on January 31, 2022, and Purchaser subsequently timely deposited \$100,000.00 as earnest money with a designated escrow agent. The Purchase and Sale Agreement did not contain any inspection or financing contingencies, but does provide that the sale of the Property is contingent upon Court approval and the satisfaction of the requirements set forth in 28 U.S.C. § 2001. *See* Exhibit 1. Given Purchaser's timely deposit of the earnest money deposit, there are no further contingencies and Purchaser has advised the Receiver that it is ready to close.

Given the higher cost of an appraisal as well as the Receiver's understanding that there was widespread experience in the industry with delays in obtaining appraisals of properties in South Florida due to strong recent real estate market activity, the Receiver obtained three broker price opinions from three disinterested licensed real estate professionals (collectively, the "**Valuations**"), which are attached hereto as **Composite Exhibit 3**. A Broker Price Opinion ("**BPO**") is a written analysis prepared by a licensed real estate professional who provides an estimated market price for a specific piece of real property based upon, among other things, a site inspection and a comparison to similar completed and current property listings. While a BPO typically costs between \$100 and \$200, an appraisal (which includes scheduling an interior inspection) can cost between \$750 and \$1,500 for a residential multifamily property.

Where a property has been listed on the open market with the assistance of a listing agent and a sales price is obtained after a competitive bidding process, this Court and other courts have regularly approved a receiver's use of BPO's to comply with Section 2001(b). *See* Docs. 32-33, 40-42; *see also SEC v. Equialt LLC, et al.*, Case No. 8:20-cv-00325, Doc. 189 (M.D. Fla. 2020) (approving sale of real estate based on three BPO's); *CFTC v. Oasis International Group, Limited, et al.*, Case No. 8:19-cv-886, Doc. 330 (M.D. Fla. 2020) (same); *Stooksbury v. Ross*, 2014 WL 11638563, at *2 (E.D. Tenn. 2014) (approving request to waive appraisal requirement given Court's discretion to determine appropriate relief in receivership and fact that property was for sale on open market and exceeded property assessor's appraised value.) Here, the Property was listed by the Receiver's Listing Agent through multiple platforms in a competitive and widely publicized bidding process that generated multiple competing offers over the course of the several months since the Property was listed for sale. Accordingly, the Receiver elected to obtain BPO's to satisfy Section 2001(b) which generated significant cost savings for the Receivership Estate.¹

¹ As the Receiver was tasked with selling seven properties, obtaining three appraisals for each of the properties could require her to spend <u>up to \$30,000</u> in Receivership funds and also delay the process to obtain court approval of the sales. An appraisal could also potentially lead to lower valuations of the Property if there are any identified issues during the corresponding interior inspection.

The Valuations opined that a reasonable market value for the Property would be between \$1,400,000.00 and \$1,700,000.00. The proposed \$1,775,000.00 sale price **exceeds the opined market price in each of the Valuations** as well as the Broward County Property Appraiser's 2022 price assessment of \$1,257,900.00. Accordingly, the Receiver submits that the proposed sale price is fair and reasonable. Pursuant to Section 2001(b), which requires that a sale be at least 67% of the average of the Valuations, the sale price of \$1,775,000.00 is substantially greater than \$1,016,166.67, which is two-thirds of the average of the Valuations.² In addition, the sale price is higher than the approximate tax-assessed value and also over 40% higher than the price previously paid by PII 304 in late 2019.

C. Encumbrances on the Property to be Resolved at or Before Closing

The Receiver's investigation revealed that PII 304 failed to timely pay the assessed 2020 property taxes, which resulted in the issuance of a Tax Certificate in the amount of \$29,240.93 on May 25, 2021.³ The Receiver intends to redeem the Tax Certificate at closing. Additionally, as a result of the assignment of the current leases to the Purchaser, the Receiver will need to transfer at closing any tenant security deposits that were previously deposited with the Receivership Entities. Given the Receiver's understanding that tenant security deposits were not properly segregated or maintained, the Receiver anticipates that a credit will be made to the Purchaser at closing to account for the current security deposits. The Receiver is also in the process of completing the re-paving of the parking lot, which was the subject of a code

 $^{^{2}}$ \$1,400,000.00 (BPO 1) + \$1,450,000.00 (BPO 2) + \$1,700,000.00 (BPO 3) = \$4,550,000.00. The average of those Valuations is \$1,516,666.67. 67% of that amount is \$1,016,166.67.

³ A Tax Certificate is an interest-bearing first lien representing unpaid delinquent real estate property taxes which are sold through a public auction to the buyer offering the lowest rate of interest.

compliance issue that arose prior to the Receiver's appointment. With the exception of these issues, the Receiver is not aware of any other liens or encumbrances on the Property. In the event that any administrative liens or other encumbrances are discovered during a title search, to the fullest extent possible, they will be resolved efficiently and routinely at closing.⁴

D. <u>Proposed Publication and Overbid Procedures</u>

Section 2001(b) provides that the terms of a Receiver's proposed private sale of real property "shall be published in such newspaper or newspapers of general circulation as the court directs at least ten days before confirmation." The Receiver proposes that, for one day at least ten days prior to confirmation of any sale, she publish the terms of the sale of the Property in the *Sun-Sentinel*, which is regularly issued and of general circulation in the district where the Property is located (the "**Newspaper**"). A copy of the proposed notice (the "**Notice**") is attached hereto as **Exhibit 4**. The Receiver will also publish this Motion (including the Notice) as well as any Order entered on the Motion by the Court on her website – <u>www.propertyiireceivership.com</u> – within two (2) business days of the Court's entry of any Order on this Motion.

Section 2001(b) also provides that a proposed private sale of real property cannot be confirmed if a higher "bona fide" offer is subsequently made "under conditions prescribed from the Court." The Receiver respectfully proposes that the following overbid procedures govern any third party's submission of a formal bona fide offer to purchase the Property after publication and notice and during the ten-day statutory window:

Any party wishing to submit an overbid in excess of the current purchase price (an "Overbidder") must provide Receiver's Listing Agent with a qualified, written bona fide <u>CASH</u> offer on or before the 10th day following publication of the Notice in the Newspaper (the "Overbid Deadline") consisting of an offer equal to or greater than

⁴ There is also the possibility that the Receiver could be entitled to a partial refund of the premium payment for the property and casualty insurance policy.

one million nine hundred fifty-two thousand and five hundred dollars and 00/100 cents (\$1,952,500.00) (the "Written Overbid") (reflecting at least a ten percent (10%) increase over the purchase price set forth in the Purchase and Sale Agreement);

- Any Overbidder must then provide the Receiver's Listing Agent with an earnest money deposit consisting of 3% of the proposed purchase price (the "**Deposit**") to be delivered to the Listing Agent via certified check or wire transfer within 48 hours of the Written Overbid being submitted, with the Deposit applied to and credited towards the final purchase price if Overbidder is selected by the Receiver as the ultimate purchasing party. In the event Overbidder is not selected by the Receiver as the ultimate purchasing party, the Deposit shall be fully refundable;
- Any Overbidder must timely provide any and all financial and banking information required by the Receiver to demonstrate, in the Receiver's sole opinion and judgment, the prospective Overbidder's ability to complete and close a <u>cash purchase</u> of the Property, including but not limited to a Bank Comfort Letter and/or "Proof of Funds" confirmation;
- Any Overbidder submitting a bona fide offer to purchase the Property to the Receiver shall also be deemed to have (i) completed and/or have waived all inspections of the Property, (ii) waived and/or removed all contingencies in favor of the buyer under any Purchase and Sale Agreement including without limitation, any contingencies pertaining to inspection of title, and (iii) agreed to timely execute a Purchase and Sale Agreement in substantially the same form, and with all of the same governing terms and conditions, as exist in the current Purchase and Sale Agreement attached as Exhibit 1;
- In the event there is an Overbidder (or multiple Overbidders) who submits a timely bona fide offer (or offers) on or before the Overbid Deadline, the Receiver shall negotiate in good faith and confidentially with any Overbidder(s) as well as the original Purchaser. In the Receiver's sole discretion and business judgment, communicated strictly through her Listing Agent, this may result in the Receiver's request for all relevant parties to submit a confidential "best and final" offer and purchase terms. Upon the receipt of all timely best and final offers, and in the Receiver's sole discretion and through her exercise of business judgment, the Receiver shall choose a final purchaser that she deems to have provided the offer that is in the best interests of the Receivership Estate, submit notice to the Court, and proceed with closing the sale of the Property to the final purchaser without the need for any further order from this Court⁵; and
- In the event that the Receiver is not provided with any timely bona fide offer(s) on or before the Overbid Deadline, the Receiver will notify the Court and proceed with closing the sale of the Property to Purchaser as set forth in the Purchase and Sale Agreement without the need for any further order from this Court.

⁵ In the event the final purchaser is not Purchaser, the Receiver will return Purchaser's earnest money deposit.

The Receiver believes these proposed procedures both comply with Section 2001(b) and also provide for an efficient roadmap to complete the sale of the Property.

III. <u>ARGUMENT</u>

A. <u>Legal Standard</u>

Federal courts have broad powers and wide discretion to determine relief in an equity receivership, including the authority to authorize the sale or transfer of real estate within a receivership. *SEC v. Elliott*, 953 F.2d 1560, 1566 (11th Cir. 1992); *SEC v. Hardy*, 803 F.2d 1034, 1038 (9th Cir. 1986). The Court's wide discretion derives from the inherent powers of an equity court to fashion relief. *Elliott*, 953 F.2d at 1566; *SEC v. Safety Finance Service, Inc.*, 674 F.2d 368, 372 (5th Cir. 1982). A court imposing a receivership assumes custody and control of all assets and property of the receivership, and it has broad equitable authority to issue all orders necessary for the proper administration of the receivership estate. *See SEC v. Credit Bancorp Ltd.*, 290 F.3d 80, 82-83 (2d Cir. 2002); *SEC v. Wencke*, 622 F.2d 1363, 1370 (9th Cir. 1980).

The court may enter such orders as may be appropriate and necessary for a receiver to fulfill her duty to preserve and maintain the property and funds within the receivership estate. *See, e.g., Official Comm. Of Unsecured Creditors of Worldcom, Inc. v. SEC.*, 467 F.3d 73, 81 (2d Cir. 2006). Any action taken by a district court in the exercise of its discretion is subject to great deference by appellate courts. *See United States v. Branch Coal*, 390 F.2d 7, 10 (3d Cir. 1969). Such discretion is especially important considering that one of the ultimate purposes of a receiver's appointment is to provide a method of gathering, preserving, and ultimately liquidating assets to return funds to creditors. *See Safety Fin. Serv., Inc.*, 674 F.2d 368, 372 (5th Cir. 1982) (court overseeing equity receivership enjoys "wide discretionary power" related to its "concern for orderly administration") (citations omitted).

Courts routinely approve a receiver's request to sell real property based on compliance with Section 2001. See, e.g., U.S. v. Brewer, Case No. 07-cr-90, Doc. 541 at *2 (M.D. Fla. May 12, 2009) (granting private sale of real property after compliance with Section 2001 requirements); SEC v. Nadel, Case No. 09-cv-00087, Doc. 1446 (M.D. Fla. October 28, 2020) (same); FTC v. *NPB Advertising, Inc. at al.*, Case No. 14-cv-01155, Doc. 158 (M.D. Fla. Aug. 1, 2017) (same). Courts have also exercised their discretion to approve the sale of real property based on substantial compliance with Section 2001, including cases where the receiver obtained less than three appraisals and where the property at issue was the subject of a competitive sale process in the open market and had received multiple bids. See, e.g., SEC v. Patrick Kirkland et al., 2009 WL 1439087 (M.D. Fla. 2009) (finding substantial compliance with Section 2001(b)'s appraisal requirements based on a single appraisal); SEC v. Global Online Direct, Inc., Case No. 1:07-CV-0767-WSD, Order Granting Receiver's Mot. For Order Authorizing the Sale of Certain Property (N.D. Ga. 2009) ("The Court hereby relieves the Receiver from the provisions of 28 U.S.C. §§ 2001-2002"); SEC v. Nadel, Case No. 9:09-cv-00087, Doc. 1370 (M.D. Fla. 2018) (granting private sale despite Receiver not obtaining appraisals); Equialt LLC, et al., Case No. 8:20-cv-00325, Doc. 189 (M.D. Fla. 2020) (approving sale of real estate based on three BPO's); Oasis International Group, Limited, et al., Case No. 8:19-cv-886, Doc. 330 (M.D. Fla. 2020) (same); Ross, 2014 WL 11638563, at *2 (E.D. Tenn. 2014) (approving request to waive requirement to obtain appraisals given Court's discretion to determine appropriate relief in receivership and fact that property was for sale on open market and exceeded property assessor's appraised value.)

B. <u>The Court Should Approve the Proposed Sale and Overbid Procedures</u>

As noted above, the Court may approve a private sale of real estate (the Property) under 28 U.S.C. § 2001 provided that:

- (a) The sale is for at least two-thirds of the average appraised value of the Property;
- (b) The appraised value of the Property was established by three disinterested appraisals of the Property;
- (c) The Court finds the sale serves the best interests of the Receivership Estate;
- (d) The terms of the proposed sale are published in a newspaper of general circulation as directed by the Court and at least ten days before confirmation; and
- (e) There is no bona fide offer made at least ten (10%) higher than the proposed sale price made under the Court's prescribed conditions.

The Receiver submits that the proposed sale and related sale, publication, and overbid procedures satisfy 28 U.S.C. § 2001 and that this Motion should be granted.

First, the Receiver has satisfied the appraisal and publication requirements by (i) presenting three Valuations of the Property prepared by disinterested individuals that are licensed real estate professionals, (ii) securing a sale price that is well in excess of the required two-thirds of the average of the Valuations of the Property; and (iii) proposing the publication of the proposed sale and its terms in the *Sun-Sentinel* for one day at least ten days prior to any sale. The Receiver has attached the three Valuations of the Property as Composite Exhibit 3. The proposed \$1,775,000.00 sale price satisfies Section 2001(b)'s appraisal requirement because it exceeds all three of the Valuations (and thus significantly exceeds \$1,016,166.67, which is two-thirds of the average of the three Valuations) and was obtained in a competitive process that was widely publicized and generated numerous competing offers. The Receiver has also attached her proposed Notice, attached as Exhibit 4, to be published in the *Sun-Sentinel* as directed by the Court. The Receiver requests that the Court approve the Receiver's terms as compliant with Section 2001(b)'s appraisal and publication requirements.

Case 0:21-cv-61176-AHS Document 65 Entered on FLSD Docket 02/07/2022 Page 13 of 16

Second, the Receiver submits that she has proposed fair, equitable, and sufficient procedures in the event that a third party seeks to submit a bona fide offer as an Overbidder pursuant to Section 2001(b).

Third, the sale of the Property is in the best interest of, and will result in significant benefits to, the Receivership Estate. The Receiver has used her good faith and business judgment to realize what she believes is the highest price possible for the Property in an arm's length transaction with an independent third-party Purchaser and with the opportunity to receive a higher amount if a timely and qualified bona fide offer is submitted by, and ultimately accepted from, an Overbidder.

The Court's approval of the Property's sale will also benefit the Receivership Estate by relieving the Receiver from any further maintenance, costs, or expenses related to the Property. Other than the encumbrances mentioned herein which will be resolved at or before closing, the Receiver is not aware of any lien or other encumbrance on the Property, and the sale of the Property free and clear of any such liens or encumbrances will result in the maximum benefit for the Receivership Estate.⁶ In sum, the Receiver submits that the proposed Purchase and Sale Agreement, including the proposed notice, overbid, and publication procedures, is compliant with the industry standard, is commercially reasonable, and is in the best interests of the Estate.

WHEREFORE, the Receiver respectfully requests that this Court enter an order substantially similar to the proposed order attached as **Exhibit 2**:

⁶ This Court's broad authority over the Receivership Estate includes the equitable power "to sell property free of liens, transferring the lien to the proceeds." *Seaboard Nat'l Bank v. Rodgers Milk Products Co.*, 21 F.2d 414, 416 (2nd Cir. 1927). "It has long been recognized that under appropriate circumstances, a federal court presiding over a receivership may authorize the assets of the receivership to be sold free and clear of liens and related claims." *Regions Bank v. Egyptian Concrete Co.*, 2009 U.S. Dist. LEXIS 111381 at *18-19 (E.D. Mo. Dec. 1, 2009) (citations omitted).

EXHIBIT "1"

PURCHASE AND SALE AGREEMENT

This Purchase and Sale Agreement (hereinafter "Agreement"), is entered into this _____th day of January, 2022, by and between Benjamin Abramchayev (hereinafter, the "Buyer") and Miranda L. Soto, Receiver for Property Income Investors 304, LLC (hereinafter, the "Receiver" or "Seller", and collectively with Buyer, the "Parties") appointed in the matter of *Securities and Exchange Commission v. Property Income Investors, LLC, et al.*; United States District Court, Southern District of Florida, Case No. 0:21-cv-61176 (hereinafter, the "Action").

BACKGROUND

WHEREAS, the Receiver was appointed pursuant to an Order Granting Plaintiff's Unopposed Motion and Memorandum of Law for Appointment of Receiver entered June 15, 2021 (the "Receivership Order"); The Receiver's powers, authorities, rights and privileges, which are outlined in the Receivership Order, include her taking custody, control and possession of all Receivership Property, including the real property located at 3050 Coral Springs Drive, Coral Springs, FL 33065 (the "Property") and the Receiver has full authority to sell the Property with approval of the United States District Court for the Southern District of Florida (the "Receivership Court"); and

WHEREAS, Property Income Investors 304, LLC is a legal entity under the control of the Receiver pursuant to the Receivership Order and it was the owner prior to the Receivership of the Property located at 3050 Coral Springs Drive, Coral Springs, FL 33065, better known as Broward County Property Appraiser's Account Number 4841-20-01-0310; and

WHEREAS, pursuant to the Receivership Order, the Seller has been granted full power and authority to market and enter into an agreement to sell the Property;

WHEREAS, subject to approval by the Receivership Court, compliance with the publication requirements of 28 U.S.C. § 2001(b), and the non-receipt of a Bona Fide Offer (defined below), Seller desires to sell and Buyer desires to purchase the Property pursuant to the terms and conditions set forth herein, and,

WHEREAS, the Buyer desires to purchase the Property and Seller desires to sell the Property, all on the terms and conditions hereinafter set forth.

NOW THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the Parties agree as follows:

AGREEMENT

1. **Property**: The Seller agrees to sell and convey, and Buyer agrees to purchase and pay for, all pursuant to the terms and conditions hereinafter set forth, the Property consisting of all of Seller's right, title, and interest in and to the Property, more particularly described on Exhibit "A" attached hereto. The Property shall include all appurtenant rights, privileges, and easements, all buildings and improvements, free from all encumbrances whatsoever, except restrictions and easements of record, zoning ordinances, and taxes and assessments, both general and special, not currently due and payable. **PROPERTY SOLD "AS IS"**.

2. <u>Purchase Price & Contingencies</u>: The Purchase Price shall be One Million Seven Hundred Seventy-Five Thousand Dollars and 00/100 (\$1,775,000.00).

This Agreement is contingent upon (1) approval by the Receivership Court, (2) compliance with the publication procedures required by 28 U.S.C. § 2001(b), and (3) the non-receipt by Seller of a bona fide offer, under conditions prescribed by the Court, as described in 28 U.S.C. § 2001(b) (a "Bona Fide Offer"). Buyer understand and acknowledges that 28 U.S.C. § 2001(b) prohibits the Receivership Court's approval and confirmation of the transaction contemplated by this Agreement if Seller receives a Bona Fide Offer. As such, upon receipt of a Bona Fide Offer, Seller shall have the exclusive right to terminate this Agreement, and Buyer's sole and exclusive remedy for such termination is limited to the return of its Earnest Money Deposit, as defined and set forth below. If the Seller does not receive a Bona Fide Offer after compliance with the publication procedures required by 28 U.S.C. § 2001(b), this Agreement is further contingent upon Seller obtaining an Order in substantially the form as the Order attached to the Receiver's Deed attached hereto as Exhibit B (the "Order") approving (1) the sale of the Property described in Exhibit A to Buyer free and clear of all liens, claims, encumbrances, and restrictions as provided for in the order of the Receivership Court approving this transaction and (2) Buyer's quiet enjoyment of all assets assigned to and assumed by Buyer (collectively, the "Contingencies").

In the event that Seller receives a Bona Fide Offer or the Receivership Court does not approve of the sale of the Property, i.e., if the Contingencies are not satisfied on or before the Closing Date, Buyer acknowledges and agrees that its <u>sole and exclusive remedy</u> is to seek return of the Earnest Money Deposit, as defined below, from Seller. This Agreement, when duly executed by the Parties, constitutes the express waiver in writing of any other remedy, whether legal or equitable, that may be available to the Buyer.

3. <u>Escrow Agent and Earnest Money Deposits</u>: All County Title Services, Inc. shall serve as the Escrow Agent. Within three (3) business days after full execution of this Agreement by the Parties, the Buyer shall deposit the sum of One Hundred Thousand Dollars and 00/100 (\$100,000.00) in readily available funds as an earnest money deposit ("Earnest Money Deposit") into the trust account of All County Title Services, Inc. Subsequent to the satisfaction of the Contingencies outlined in this Agreement, the Earnest Money Deposit shall only be refundable if the Receivership Court refuses to approve the motion for sale or if the Receivership Court approves the sale of the Property to a competing bidder.

The Earnest Money Deposit shall be credited at Closing towards the Purchase Price to be paid to Seller by Buyer for the Property under the terms of this Agreement. The terms of this Agreement shall serve as the escrow instructions for this transaction.

4. <u>Conditions of Escrow</u>: Seller shall, on or before the date of Closing, make reasonable efforts to obtain approval from the Receivership Court to sell the Property pursuant to the terms of this Agreement. If the Buyer withdraws from this Agreement after the satisfaction of the Contingencies in this Agreement but prior to the approval of the sale, or if the Court approves the sale of the Property pursuant to the terms of this Agreement and the Buyer fails to perform under this Agreement except as to any rights the Buyer may have under Paragraph 10 of this Agreement, the Earnest Money Deposit shall be delivered immediately to Seller as

liquidated damages for Buyer's failure to perform. In the event that the Receivership Court fails to approve this Agreement or the Buyer terminates the Agreement solely as provided for in Paragraph 10, this Agreement shall be null and void and of no further force and effect and neither Seller nor the Buyer shall have any further obligations hereunder to the other and the Earnest Money Deposit shall be delivered immediately to Buyer. Should Seller fail to perform any obligation under this Agreement for any other reason, the Buyer's sole remedy shall be to seek return of all funds deposited in connection with this Agreement.

5. **No Financing Contingency**: Buyer agrees that this is an **ALL CASH** purchase and there shall be no financing contingency associated with this Agreement. Buyer shall supply Seller with proof of purchasing funds within three (3) business days after full execution of this Agreement by the Parties.

6. <u>Closing and Closing Agent</u>: Unless extended by mutual agreement of the Parties, Closing shall take place within thirty (30) days after Receivership Court's approval of the sale, with Buyer to provide written notice specifying the actual closing date at least three (3) business days before such closing date. All funds and documents required to be deposited hereunder shall be deposited into escrow prior to Closing. The term "Closing" as used herein shall mean the date all Contingencies provided in this Agreement shall be satisfied or waived by written instrument and the date the Receiver's Deed in substantially the form as Exhibit B attached hereto has been recorded. All County Title Services, Inc. shall serve as the Closing Agent.

7. <u>Conveyance of Title</u>: When the funds to be paid by Buyer together with all documents required to be deposited by Buyer pursuant to this Agreement have been deposited into escrow, then Seller shall deliver into escrow title to the Property. Seller will convey title via Receiver's Deed in substantially the form as Exhibit B attached hereto.

8. **Evidence of Title, Survey and Closing Costs**: Buyer, at Buyer's cost and expense, may obtain evidence of title, a title abstract, title insurance and/or a survey of the Property. At Closing, Buyer shall pay: (i) all title examination fees; (ii) survey costs or any costs to update surveys; (iii) to update recording costs on documents necessary for Seller to clear title (to the extent such action is required); (iv) any premiums for a title insurance policy; (v) all transfer taxes payable in connection with the delivery for recording of any title transfer instrument or document by Seller provided in or contemplated by this Agreement; (vi) all charges for escrow services; (vii) all survey and appraisal costs; (viii) mortgage taxes (if any); (ix) the cost of any environmental reports; (x) all fees of the Closing Agent; and (xi) Buyer's legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Buyer hereunder, including without limitation, the cost of performance by Buyer and the obligations hereunder.

At Closing, Seller shall pay: (i) Seller's legal, accounting and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, or to cause to be delivered, by Seller hereunder, including without limitation, the cost of performance by Seller of its obligations hereunder.

3

Except as otherwise expressly provided for in this Agreement, Buyer shall be responsible for any and all other costs and expenses, regardless of custom or practice in the county where the Property is located, in connection with the consummation of this Agreement.

Condition of Premises and No Inspection Period: Buyer acknowledges and 9. agrees to purchase the property on an "As Is, Where Is" basis, with all faults and without representations, express or implied, of any type, kind, character or nature, including but not limited to the suitability of the Property for any use, and without warranties, express or implied, of any type, kind, character or nature, including but not limited to, suitability of the Property for any use, and without recourse, express or implied, of any type, kind, character or nature. Seller and Buyer agree that there shall be NO INSPECTION PERIOD. Seller has disclosed to the buyer that there has been a report of mold on the Property. Having been made aware of this Report, which is attached hereto as Exhibit C, the Buyer has on its own decision decided to forego inspection. Buyer hereby acknowledges and agrees that Buyer is not relying on any statements or representations of Seller and is relying exclusively on its own knowledge and information regarding the condition of the Property. Buyer hereby accepts the Property in its present condition, including any mold that is later discovered on the Property that is not included in the attached report. Buyer further agrees that they have had adequate opportunity to seek any additional information from Seller or other third parties regarding the Property and that Buyer is prepared to move forward with the purchase of the Property based on the terms of this Agreement.

10. **Damage or Destruction**: In the event the Property, or any portion thereof, is damaged or destroyed by fire or other cause prior to the date of transfer of title, Buyer may declare this Agreement null and void or Buyer may complete the purchase and receive the proceeds from any insurance otherwise payable to or for the benefit of Seller with respect to such destruction, together with a credit against the purchase price for any "deductible" under such insurance. If Buyer declares this Agreement null and void due to damage or destruction as described in this Paragraph 10, the Earnest Money Deposit shall be delivered immediately to Buyer.

11. <u>Taxes, Assessments & Utilities</u>: Real Estate Taxes, assessments, if any, and any assessments, insurance premiums, charges, and other items attributable to the Property shall be prorated as of the date of Closing, based upon an actual three hundred and sixty five (365) day year, as is customary. Meters for all public utilities (including water) being used on the Property shall be ordered read on the day prior to closing and all charges to said date shall be paid by Seller.

12. **<u>Real Estate Brokers</u>**: Seller and Buyer represent and warrant each to the other that they have not dealt with any real estate broker, sales person or finder in connection with this transaction, except for Daniel Otten of Local Real Estate Co. ("Seller's Agent") and Gerald Schilian of Robert P. Gargano & Associates ("**Buyer's Agent**"). At Closing, Seller agrees to a three percent (3%) commission to Seller's Agent pursuant to a separate written agreement by and between Seller and Seller's Agent. Seller agrees to a two percent (2%) commission to Buyer's Agent. In no event shall the total sales commission owed by the Seller exceed five percent (5%) of the Purchase Price.

COMMENTS (Include specific positives/negatives, special concerns, encroachments, easements, water rights, environmental concerns, flood zones, etc. Attach addendum if additional space is needed.)

Due to a lack of comps, or any comps in close proximity, standard guidelines could not be used. Used entired Broward County area to look for comps. This BPO was done using the traditional comperable comparison method and may not reflect the true value of subject. In commercial circles value is usually determined by the income produced by the property. Property income was not available at the time of this report.

There were no comps in subject's neighborhood, nor city so comps were evaluated all over Broward County and the most recent solds were used based on similar number of units and overall sq footage. This did not take into account the extent of updating that was done on anyone comp because not enough information was available.
